PROFESSIONAL SUMMARY

Enthusiastic Computer Science and Engineering student, graduating in 2025, with strong technical skills and hands-on experience in data analysis, web development, and leadership. Proven ability to deliver comprehensive solutions and positive feedback in educational roles. Eager to bring innovative thinking and collaborative spirit to a dynamic team.

EDUCATION

Vignan's Foundation for Science, Technology & Research

Vadlamudi

Bachelors of Technology, Computer Science and Engineering

CGPA: 8.3

SKILLS

- **Programming Languages:** C, Python, HTML, CSS, JavaScript, Node.js, React.js, MySQL, PHP
- **Technical Skills:** Data Structures and Algorithms in C, Git, Linux, AWS, PowerBI
- **Soft Skills:** Project Management, Communication, Leadership, Time Management, Adaptability, Problem Solving, Teamwork, Creativity

WORK EXPERIENCE

Q&A Expert at Chegg

JAN - 2023

- Guided students across diverse subjects with comprehensive and insightful answers.
- Earned positive feedback and appreciation from students and colleagues.
- Contributed to the Chegg community, impacting students educational success positively.

Teaching Assistant at Vignan University

JUNE - 2024

- Assisted in teaching DBMS classes, developed course materials, and facilitated interactive discussions and practical examples.

- Provided personalized student support and mentorship, organized study groups, and led review sessions to foster collaborative learning.

PROJECTS

A Comparative Analysis for Air Quality Prediction by AQI Calculation using different Machine Learning Algorithms -

- Collected and preprocessed air quality data, implemented algorithms (Linear Regression, Decision Trees, Random Forest), and assessed performance with accuracy metrics.
- Identified the optimal algorithm for AQI prediction, offering insights for environmental and public health planning.

Currency Converter -

- Developed a Currency Converter application using JavaScript, integrating an API for live currency exchange rates.
- Designed to convert between different currencies in real-time, providing users with accurate and up-to-date exchange rates.

LEADERSHIP & INVOLVEMENTS

Vignan Alumni connections

Vignan Engineering College

Vice President

- Served as Vice President for Vignan Alumni Relations, fostering engagement and communication with alumni.
- Organized and led successful alumni meetings, facilitating networking and collaboration among graduates.

CERTIFICATIONS

- **Cisco Networking Essentials**
- **Data Analytics with Python - Silver Medal (NPTEL)**
